SEVEN STEPS TO TAKE BEFORE BABY TAKES HER FIRST

- 1. Always lay a healthy baby to sleep face up.

 If your baby has problems breathing or spits up a lot after feeding, ask your doctor about how your baby should sleep.
- 2. No smoking while pregnant or near the baby.

 While pregnant or considering pregnancy do not smoke, use drugs, or alcohol. Don't let others smoke near your baby.
- 3. Don't let your baby get too hot.

 Dress your baby in as much or as little as you would wear. Do not wrap your baby in lots of blankets or clothes. If your baby is sweating, has damp hair, or a heat rash, he or she may be too hot.
- 4. Lay your baby to sleep on a firm mattress.

 Do not let the baby sleep on soft things, like cushions, blankets, pillows, the couch, sheepskins, foam pads, or waterbeds.
- 5. Create a healthy lifestyle for you and your baby. When pregnant, see your doctor often and do not use drugs or alcohol. Talk with your baby's doctor about changes in your baby and how your baby acts.
- 6. If possible, breast feed your baby.

 Breast feeding has been shown to be good for your baby.
- 7. When your baby is awake, put your baby on his or her tummy to play.

What is SIDS?

SIDS is Sudden Infant Death Syndrome. It means that a healthy baby dies quickly and without warning and doctors cannot find a reason why the baby died. SIDS can happen to any family. SIDS is one of the major causes of death in babies from 1 month to 1 year of age. In the United States a baby dies from SIDS every 3½ hours. Most SIDS deaths occur when a baby is between 2 and 4 months old. SIDS occurs more often in the winter and early spring.

SIDS Facts

- ·SIDS is not caused by "baby shots".
- •SIDS is not caused by spitting up, choking or smothering.
- ·SIDS is not caused by child abuse.
- ·SIDS usually happens to healthy babies.
- SIDS is not catching. It cannot be passed from one baby to another.

IT IS NO ONE'S FAULT WHEN A BABY DIES OF SIDS.

Remember...

- 1. Put your healthy baby on its back to sleep.
- 2. Do not let people smoke near the baby.
- Do not smoke, take drugs, or alcohol while pregnant or nursing.
- 4. Do not let your baby get too hot.
- 5. Put your baby to sleep on a firm mattress.
- Always check with your doctor about your baby's sleep position.
- Let your baby play on his or her tummy when awake and someone is watching.

Eagle Pride...Eagle Spirit!

CTS NEWS

We have had some chilly weather, but at CTS students are "on fire"!

Learning about HISTORY can be so much FUN! CTS Kindergarten students had a really interesting lesson on Native American foods. Ms. Carolyn Savage visited their classroom and demonstrated how the Native Americans/Chitimacha of long ago would grind corn and make corn meal. She used a thick flat rock to put kernels on and a smooth oval shaped stone to grind, pound, and smash kernels. This wonderful hands-on activity was a lesson for students to remember for a lifetime. Ms. Savage explained many interesting facts such as how the women usually did this, the amount of time it took, what they would use the corn meal for, etc. A BIG thanks goes out to Ms. Savage for sharing her rich knowledge with our students!

Ms. Carolyn and CTS Kindergarteners

The kindergartners also finished wrapping up their theme "Healthy Me" by going on a field trip to Winn Dixie and Dominos! We would like to say thanks to the staff at Winn Dixie and to Mr. John and his staff at Dominos for making this a great experience. In the month of November the CTS kindergartners learned about eating healthy foods and living a healthy life. In Math, they are counting groups and writing numbers.

In Reading students are sounding out letters, recognizing letters, and sounding out words..."Way to go Kindergartners!" Congratulations Evan Frederick! Evan was our "Star Student of the Week!"

The CTS 4-H club got into the spirit of Christmas by collecting non-perishable food items to be donated to the Food for Families Food Drive. All grade levels were challenged to bring in as many items as possible. The drive was a huge success, and club members would like to send out a big thanks to their classmates for their generosity!

CTS 4-H Club

Our 4-H club students also participated in a holiday punch making demonstration! After the demonstration students enjoy their punch with a few cookies while listening to the current 4-H news which included upcoming events presented by Ms. Jeni Johnson, 4-H agent. Ms. Johnson talked about Louisiana insects and their effects on our culture. We are very proud of our students in 4-H! Good Job CTS 4-Hers!

Tommie Poirrier, Karli Mensman, & Sherry Higgins

First graders are almost finished with their third pre-primer. Their reading continues to improve each month. Students love to read AR books and take the quizzes on the computer. In the hallway students displayed the riddles that they wrote. Ms. Phyllis liked them a lot. Students are also reviewing math skills learned since school started. They are doing great! Science lessons are about the sun, shadows, weather patterns, the seasons and weather, the moon, and the stars. Students are learning so much about "The Skies Above." And last but not least, Drake Pontiff was our star of the week! Congratulations, Drake!!

Second graders are all rested up and are eager to get back to work. They continue to read AR books whenever they have free time. Their reading stories are about how members of a community are connected in a variety of ways. They will see that each person in a community plays a part in making a community special. In Science they will be studying about forces, machines, and magnets. They will discover ways in which simple machines make work easier for us. They will learn that all magnets have a north and south pole. Opposite poles attract and like poles repel. They will do experiments with magnets to find out what they are attracted to. To get ready for the Christmas season students have practiced their song for the Christmas Program. And finally our second grade Star of the Week was Mason Gaddy. Congratulations Mason!!

The first half of the year has passed by really quickly for Ms. Beth's third grade students. They have mastered writing in cursive and look forward to writing all of their work in cursive in January. Students have made progress with writing complete sentences, which they can now join to create paragraphs. They have had plenty of practice with writing friendly letters as they anticipate having to write for the upcoming ILEAP test in March. Ms. Beth has also begun to introduce her students to multiplication, and they are writing multiplication stories during Calendar Math. In Social Studies, the third graders have been using a time line to track the period of time in which Louisiana became a state and are currently learning about the Civil War. Students recently visited the Chitimacha Museum, where they learned how their ancestors were affected during this time in history. The third grade class enjoyed performing in the annual Christmas program, which was held on Wednesday, December 19th. They loved singing and dancing for their parents and friends! The third grade Star-of-the-Week was Amanda Vilcan. Congratulations!

After the Christmas holiday break CTS students and staff wasted no time getting back into the groove of things on Monday. Evidence of fast moving school days seems to be in the atmosphere of our school. While quickly settling in for the second half of the 2007-2008 school year, our 8th graders are working on a "Decades" project. This project has students reflecting on the Victorian time period. Each student each was assigned a decade during the Victorian Era, 1830-1900, for which they were required to research world events along with United States events. Students also researched inventions, music, art, literature, medical advances, as well as other information relating to their time period. Students were required to write a report and complete a presentation so that the entire class could benefit from their research. A unique twist to this particular assignment was to also research a particular character of this time period who might have been invited to a "New Year's" party honoring the classic character Ebenezer Scrooge's new outlook on life. While students explored their decades, they also researched an individual character, merchant, teacher, banker, etc., of this time period. Students then represented this character with a visual depiction and wrote a character analysis in their language arts class. Students definitely used skills learned in history as well as language arts to be successful in both areas!

PRINCIPAL'S NOTE

I would like to say that the parental and community attendance for the Christmas program was outstanding! We love seeing our families and we thank you for your support. The staff and students did a great job preparing for the Christmas production. The students are well rested from the Christmas holiday and ready to work hard to finish the school year by putting their best foot forward. What more can I say except....it just keeps getting better and better at CTS.

COMMUNITY BULLETIN BOARD

In Loving Memory of **Patricia Ann "Pat" Vilcan June 26, 1943 - January 14, 2008**

God saw you getting tired, and a cure was not to be. So He put His arms around you and whispered "Come with ME". With tearful eyes we saw you fade away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove He only takes the best. Each time we see your picture you seem to smile and say, "Don't cry, I'm in God's keeping. We'll meet again someday."

We invite you to join us for prayer, worship, and fellowship. We are non-denominational, and welcome everyone.

We meet every Thursday at 7:00 P.M. & every Sunday at 10:30 A.M. for Worship Services with Bible Study beginning at 9:00 A.M. at our new location of 2688 Chitimacha Trail (formally Bourgeois Grocery). If you have any questions please feel free to call me.

2 Corinthians 3:17

"Now the Lord is the Spirit; and where the Spirit of the Lord is, there is liberty".

When Jesus comes into a human heart by faith, through the Spirit He sets that person free from the bondage of sin, the chains of death, and the futile attempt of trying to become righteous through self effort.
